

DESKTOP FONT END USER LICENSE AGREEMENT

By downloading and/or installing font software ("Font") by Joel Maker ("Foundry"), you ("Licensee") agree to be bound by the following terms and conditions of this End User Licensing Agreement ("EULA"):

1. ALLOWED USES

You may use the licensed fonts to create images on any surface such as computer screens, paper, web pages, photographs, movie credits, printed material, T-shirts, and other surfaces where the image is a fixed size.

You may use the licensed fonts to create EPS files or other scalable drawings provided that such files are only used by the household or company licensing the font.

1. RIGHTS GRANTED

Foundry grants Licensee a perpetual, worldwide, non-exclusive and nontransferrable license to:

- Use the Font to create and distribute graphics, logos, and artwork for display on any surface including computer screens, television screens, paper, physical products, or any other surface. The created graphics may be a fixed size (e.g. JPG, PNG, etc.) or a static vector (e.g. SVG, EPS, etc. made with a "create outlines" tool).
- Embed or link the Font in accordance with the rules described in Section 2d, "Document Embedding," of this EULA.

2. REQUIREMENTS AND RESTRICTIONS

a. Products

Licensee may not use the Font to create alphabet or letterform products for resale where the product consists of individual letterforms, including rubber stamps, die-cut products, stencil products, or adhesive sticker alphabet products where the likeness of the Font can be reproduced and the end-user of said products can create their own typesetting. An extended license may be available for an additional fee.

Licensee may create typographic products using the Font if the product consists of commonly recognized words or phrases, for example, a rubber stamp that has the word "Love" or a sticker that says "Well Done."

b. Dingbats and Illustrations

Licensee may not use illustrations or images in the Font other than letterforms, numbers, punctuation marks, diacritics, etc., in a manner where the illustration or image becomes the primary aspect of a product for resale. For example, a dingbat image in the font can not be the sole design element on a coffee cup, t-shirt, greeting card, etc., intended for resale. An extended license may be available for an additional fee.

c. Users and Deployment

The Font may be simultaneously used by no more than the number of users specified on the Invoice or Receipt. A "user" is a single person or single machine, at the discretion of the Licensee. All users must belong to the same company or household purchasing the font except for temporary use by third parties as described in Section 3 "Provision to Third Parties" of this EULA. The Font may be installed on a server for the purpose of deploying to licensed users with all user restrictions listed above still applying.

d. Document Embedding (including PDF, Microsoft Word® & Microsoft Powerpoint®)

Documents embedding the Font and sent to third parties, must be readonly by those recipients. Documents embedding the Font and created for in-house use or sent to third parties working on behalf of the Licensee as described in Section 3 "Provision to Third Parties" may be editable.

3. EMBEDDING

You may embed the licensed fonts into any document you send to third parties. Such documents may be viewed and printed (but not edited) by the recipients. You may not under any circumstances embed the licensed fonts into software or hardware products in which the fonts will be used by the purchasers of such products. Such use requires a different license which may be offered by the Foundry through Joel Maker. Please contact wakdjoel@gmail.com for further information.

4. PROVISION TO THIRD PARTIES

The Licensee may temporarily provide the Font to a graphic designer, printer, agent, or independent contractor who is working on behalf of the Licensee. The third party person(s) temporarily using the font are treated as licensed users and count toward the number of users specified on the Invoice or Receipt. In the case of a single user license, the Licensee may temporarily provide the Font to a single third party without violating this EULA.

The third party designer, printer, agent, or independent contractor must:

- Agree in writing to use the Font exclusively for Licensee's work, according to the terms of this EULA.
- Retain no copies of the Font upon completion of the work.

5. TERM

This EULA grants a perpetual license for the rights set forth in Section 1, "Rights Granted," unless and until the EULA terminates under Section 8, "Termination." Foundry will not charge additional fees post purchase, annually, or otherwise.

6. OTHER USAGE

Licenses for @font-face embedding, computer applications and games, installable interactive books, software, mobile applications and games, ebooks, product creation websites, website template distribution, website templates, and other uses not allowed by this EULA may be available for an additional fee. Contact the Foundry at wakdjoel@gmail.com for more information or the distributor from which you purchased the Font.

7. MODIFICATIONS

Licensee may not modify the Font files, or create derivative fonts based on the Font without prior written consent from Foundry except that Licensee may generate files necessary for embedding or linking in accordance with this EULA.

8. COPYRIGHT

The Font is protected by copyright law. The Foundry is the sole, exclusive owner of all intellectual property rights, including rights under copyright and trademark law. Licensee agrees not to use the Font in any manner that infringes the intellectual property rights of the Foundry or violates the terms of this EULA. Licensee will be held legally responsible, and indemnifies Foundry, for any infringements on the Foundry's rights caused by failure to abide by the terms of this EULA.

9. REFUNDS AND DISCLAIMER

Refunds are first and fully subject to the guidelines set by the distributor from which the Webfont was purchased, if not purchased directly from Foundry. If purchased from Foundry, refunds are handled as follows: In the case that a technical defect has been found in the Webfont that makes it unusable the Foundry will, at the Licensee's request, provide a refund for the Webfont if:

- The Webfont has been shown to be defective in some way.
- The Webfont has not been used in any published or released work.
- No more than 30 days have passed since the date of purchase, specified on the Invoice or Receipt.
- The Webfont has been uninstalled and deleted from all Licensee's computers.

The Webfont is provided "as is." The Foundry makes no warranty of any kind, either expressed or implied, including, but not limited to the implied warranties of merchantability and fitness for a particular purpose. Foundry shall not be liable for any direct, indirect, consequential, or incidental damages (including damages from loss of business profits, business interruption, loss of business information, and the like) arising out of the use of or inability to use the product even if Foundry has been advised of the possibility of such damages.

Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to Licensee.

11. ENTIRE AGREEMENT

This EULA, in conjunction with the Invoice or Receipt that accompanies each Webfont licensed from Foundry or its distributors, constitutes the entire agreement between Foundry and Licensee.
