

End User License Agreement

End User License Agreement (EULA) Booga Letter Studio.

This license agreement is a legally binding contract between you, the license, and Booga Letter Studio (Fajar Wicaksono). By downloading, installing and/or using this font software, you acknowledge that you understand this license agreement and promise to comply with its terms. If you do not accept the terms, please do not complete the purchase transaction or installing the font.

1. License and Usage Rights

Upon downloading the font, you are granted the non-exclusive and non-transferable right to use the font software on any number of computers within your organization. By default, each Booga Letter Studio Typeface has no restrictions to the number of workstations (CPUs) in any number of locations.

The number of output devices (Laser/Color/Inkjet Printers) is not restricted, provided that these devices do not store the font software permanently.

2.1. Copyright

Typeface design and font software – including all updates, expansions, modified versions and working copies – are intellectual property of and are owned by Booga Letter Studio (Fajar Wicaksono). You agree that typeface design and font software are protected by International copyright, design patent and trademark laws. All rights reserved unless expressly granted in this agreement.

For your own use and within the conditions granted in this agreement, you are allowed to make a backup copy of the font software, documentation and license agreement.

You are not authorized to distribute the font software in any way, whether by selling, lending, donating or otherwise.

2.2. No transfer of rights

You shall not sell, lease, sub license, allow to use, or otherwise assign or transfer any of your rights, duties, or obligations, under this agreement, in whole or in part, to any person or entity.

Without limiting the foregoing, typefaces licensed for use by specific publications shall not be transferred to or used by other publications owned or managed by a common corporate parent, and/or affiliated with the specific publication to which this license has been granted, without the purchase of an additional license from Booga Letter Studio.

A transfer of the license you were granted requires a written permission by Booga Letter Studio; upon transfer of your license, you must delete the font software and all copies thereof.

3. Printing

We recommend that you provide your service bureau with a workflow PDF file with the font software embedded.

4.1. Embedding in Workflow PDFs

Booga Letter Studio grants you a limited license to embed the font in Embedded Documents in the PDF format ("Workflow PDFs"). Booga Letter Studio also grants you the right to circulate these PDF documents on the World Wide Web.

4.2. Embedding in Flash Files

Booga Letter Studio grants you a limited license to create and circulate Embedded Documents in the SWF format ("Flash Files") including the free font.

4.3. Embedding in commercial products

Booga Letter Studio grants you a limited license to embed the Font software in commercial products (Examples : e-Books, games, DVDs, or any software.)

4.4. Embedding for web

You may use the font software in websites in a at any time on any website. You are allowed to use the font software for the web font linking via @font-face. For this purpose, Booga Letter Studio is working on offering a reliable good quality special web fonts license possibilities in the near future.

Please note that you are allowed to do format conversion of the font yourself (to web formats such as .woff format and .eot format), but only at your own risk! Booga Letter Studio will not be liable to any loss of kerning-pairs, loss of OpenType features or any modifications or alterations resulting from your own conversion. Booga Letter Studio does not grant you the right to open the outline data in font modification software and re-generate those files under any name or circumstances.

5. Modification

Any modification of the font software, including conversion into the other formats, requires written permission by Booga Letter Studio. If permission was granted, the copyright for modified font software remains with Booga Letter Studio, and modified font software too is subject to the terms of this license agreement. Thus, modified font software must not be distribute in any way.

6. Warranty and limitation of liability

Booga Letter Studio has done everything to produce high quality OpenType Fonts. Minimum system requirement is Mac OSX or Windows 7/Vista/XP/2000. Please note that not all systems or applications support OpenType features and kerning at all or equally well.

If you do experience any difficulties with our font software, please contact us, and we will do our best to resolve any issues. If this should not be possible, we will be pleased to refund your money, which shall be the limit of our liability in this transaction.

Except for this warranty granted, there is no warranty for performance or results obtained by using the font software. Booga Letter Studio will not be liable for any damages, claims or costs whatsoever or any direct, indirect, special, incidental or consequential damages, business interruption, nor for loss profits, saving or business information, arising of any use of, or inability to use the font software.

7. Final Provisions

If you breach any term or this agreement, Booga Letter Studio will immediately terminate the license and right of use. In the event of termination, you must delete the font software and all copies thereof.

Should individual terms of this contract become invalid or unenforceable, all others will remain in full force and effect.
