

ZEALAB FONTS DIVISION END USER LICENSE AGREEMENT

1. Allowed uses

You may use the licensed fonts to create images on any surface such as computer screens, paper, web pages, photographs, movie credits, printed material, T-shirts, and other surfaces where the image is a fixed size.

You may use the licensed fonts to create EPS files or other scalable drawings provided that such files are only used by the household or company licensing the font.

2. Number of users

The maximum number of simultaneous users is specified in the applicable receipt. All users must belong to the same company or household purchasing the font.

3. Third parties

You may provide the font to a graphic designer, printer or other service bureau that is working on your behalf only if they agree to use the font exclusively for your work, agree to the terms of this license, and retain no copies of the font on completion of the work.

You may not provide the font or make it accessible to any other third parties.

4. Embedding

You may embed the licensed fonts into any document you send to third parties. Such documents may be viewed and printed (but not edited) by the recipients.

Such use requires a different license which may be offered by the Foundry through Zealab Fonts Division. Please contact zeafontsdivision@gmail.com for further information.

5. Modifications

You may import characters from the font as graphical objects into a drawing program and modify such graphical objects.

You may not modify, adapt, translate, reverse engineer, decompile, disassemble, or create derivative works based on the licensed font itself without Foundry prior written consent.
